IMPORTANT UPDATE ON THE INTERNATIONAL PUBLIC PROCUREMENT CONFERENCE (IPPC10) DATES REVISIED

Dear Colleagues, Partners, Participants, and Funding Agencies,

Warm greetings from the IPPC10 Central Organizing Committee.

We would like to express our sincere appreciation for your continued interest, support, and commitment to the 10th International Public Procurement conference (IPPC10). The overwhelming enthusiasm and engagement from our stakeholders have been both encouraging and inspiring.

Following extensive consultations with key partners, sponsors, and members of the organizing committee, a decision has been made to reschedule the conference dates from 12th -14 August 2026 to 3rd - 5th November 2026. This adjustment is intended to provide additional time for logistical preparations, and stakeholder engagement that meets expectations of IPPC10 and maximizes attendance of key stakeholders.

We recognize that changes to previously communicated dates may require adjustments to your plans, and we sincerely regret any inconvenience this may cause. However, we are confident that the additional preparation period will strengthen the quality of your scientific papers, networking opportunities, and overall outcomes of the conference.

We kindly request all prospective participants, presenters, exhibitors, sponsors, and funding partners to update their calendars accordingly. We wish to assure all participants that preparations for the conference will continue unabated.

We encourage prospective delegates to:

- a) Submit their full-length papers;
- b) Complete conference registration; and
- c) Take advantage of the Early Bird registration rates by making their payments within the stipulated period July 31,2026.
